TURINI

TURINI

The "Original" Turini has stood the test of time, its classic styling comes with an ergonomically approved waterfall shape seat, at 42cm wide it is designed to maximise space. Made in the UK in our own factory using our square tubular profile in lightweight aluminium, Turini is a true timeless classic.

Options include involute tubular frame and a wider 45cm seat is available if required.

All models are available with Classic-arms and can be stacked 10 high. A wide variety of finishes is offered and fabrics can be selected from the Burgess collection or specified by the customer.

Accessories such as linking systems, writing tablets, spacer tablets, numbering systems and chair trolleys are available (please see our website for further details).

INVOLUTE FRAME OPTION
Available as an option to the
standard square tubular frame.
