COMFORTflex

COMFORTflex

The latest addition to our Classic range of chairs is the COMFORTflex conference and banqueting chair. With the design and comfort from our popular Siena Allday™ chair and the added flex feature this chair will assure you of Allday™ comfort.

The COMFORTflex range utilises a high-tech composite hinge that allows the back to flex. An innovative combination of passive and active ergonomics provides hours of comfortable support. The range achieves a high level of comfort with a generous webbed Comfort Plus™ seat and dished back incorporating a lumbar support. Manufactured in lightweight aluminium, all models can be stacked 10 high.

Independently tested to pass the strength test requirements of BS EN 15373:2007 Test Level 3.
